SAN Group Biotech USA, Inc. makes no warranties of merchantability for fitness for a particular purpose nor any other expressed or implied warranty except as stated above.

DIRECTIONS FOR USE

SHAKE VIGOROUSLY BEFORE USING. Due to the organic nature of the product some settling may occur.

Organic BioLink® All-Purpose Fertilizer 3-3-3 can be applied to all food and non-food crops such as brassica (cole), berries, citrus, cucurbits, field vegetables, fruiting vegetables, fruit trees, grapes (raisin, table and wine), leafy vegetables, root and tuber vegetables, row crops, strawberries, tree nuts, ornamental trees, shrubs, and containerized plants.

Foliar Application: 1 to 4 quarts per acre. Apply to plant foliage to the point of run-off starting at the 4-leaf stage for vegetables. For trees and vines apply at the beginning of bloom; repeat every 10 to 14 days throughout the growing season as needed.

Soil Application: 1 to 4 gallons per acre. Drench soil around base of plants and trees or apply through the chemigation system. Begin applications at planting, transplanting or in Spring at beginning of root flush. Repeat the application every 10 to 14 days throughout the season as needed.

Nursery & Container: Use 2oz. per gallon of water. Apply as a soil drench around base of plants and trees or apply through irrigation system. Repeat application every 10 to 14 days throughout the season as needed.

Compatibility: Always conduct a compatibility jar test before mixing **Organic BioLink® All-Purpose Fertilizer 3-3-3** with new products.

NOTICE: Perform a phytotoxicity test on a small plot before large-scale application. To lower the risk of phytotoxicity, applications should be made early morning or late evening.

The recommendations may vary depending upon soil type, climate, and cultural practices. Foliar applications should be supplemented with soil applications.

STORAGE & DISPOSAL

Store out of reach of children. Do not contaminate water, food or feed by storage, disposal. Store in original container out of direct sunlight. Keep out of reach of children. Triple rinse and puncture empty container. Dispose of contents and empty containers.
