NOTICE OF WARRANTY – SAN Group Biotech USA, Inc. warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of SAN Group Biotech USA, Inc. In no case shall SAN Group Biotech USA, Inc. be liable for consequential, special or indirect damages resulting from the use or handling of this product. SAN Group Biotech USA, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

DIRECTIONS FOR USE

SHAKE VIGOROUSLY BEFORE USING.

Organic BioLink® Potassium Fertilizer can be applied to all crops including fruit trees, vines, tree nuts, fruits and vegetables, field and row crops, ornamental trees, shrubs and flowers, containerized plants, and turf.

Foliar Application: Use 1 to 4 quart per acre. Apply plant foliage every 21 days throughout the growing season as needed.

Soil Application: Use 1 to 5 gallons per acre throughout the growing season as needed.

Nursery & Container: Use 1 quart in 100 gallons of water. Apply to plant foliage to the point of run-off or apply as soil drench. Apply every 21 days throughout the growing season as needed.

Home & Garden: Use 2 ounces per gallon of water. Apply to plant foliage to the point of run-off or drench soil around base of plants and trees or apply through irrigation system. Repeat application every 10 to 14 days throughout the season as needed.

Compatibility: Always conduct a compatibility jar test before mixing **Organic BioLink® Potassium Fertilizer** with new products.

WARNING: Perform a phytotoxicity test on a small plot before large-scale application. To lower the risk of phytotoxicity, applications should be made early morning or late evening.

Use best management and cultural practices when applying **Organic BioLink® Potassium Fertilizer**. This product must be used as part of a complete crop management and full fertilization.

CA Prop 65 – WARNING: This product may contain chemicals known to the State of California to cause cancer or birth defects or other reproductive harm. www.P65Warnings.ca.gov

Storage & Container Disposal: Do not contaminate water, food, or feed by storage or disposal. Store in original container under direct sunlight. Triple rinse and puncture empty container. Dispose of contents and container according to local, state and federal regulations only.
